

Application for Undergraduate Admission

To provide the highest quality educational opportunity for all students in a diverse learning environment, UW System Admissions Offices seek to admit students whose academic preparation, background and personal experience suggest that the student will succeed at the institution, benefit from that educational experience, and contribute to the educational environment. For information about UW System general admission requirements and selection criteria used by all UW System institutions, see the UW System Freshman Admission policy at <https://www.wisconsin.edu/regents/policies/university-of-wisconsin-system-freshman-admissions-policy/>. For more information about admission expectations and guidelines at specific UW institutions, visit the appropriate UW campus website (see page 8) or UW HELP at uwhelp.wisconsin.edu.

APPLICATION DEADLINES

UW System institutions begin accepting applications on August 1 for the following fall semester. Most have application priority dates or deadlines after which applications may no longer be considered, so it is generally to your advantage to apply as early as possible.

Consult *Introduction to the University of Wisconsin System*, your high school counselor or the individual institution(s) for information about priority dates and deadlines.

COMPLETING THIS APPLICATION

You must complete Sections 1, 2, 3, 4, 7, 8 & 9. If you are currently attending high school, you must also complete Section 5. If you are currently attending any postsecondary institution, you must complete Section 6.

If you wish to apply for admission to more than one UW System institution, submit a separate application form to each. Duplicated copies may be used as long as they are legible and the proper institution is designated on each copy. Each copy must bear an original signature. Detach the application form and submit the completed application to the institution to which you are applying.

If you are still attending high school, submit each application along with the application fee to the campus to which you are applying. An official high school transcript is also required.

If you are no longer attending high school, submit the application fee (if required), and request all required transcripts be sent directly to the admissions office of the appropriate UW System institution.

NEW FRESHMAN APPLICANTS

Application Fee: New freshmen applying for admission must pay a nonrefundable application fee with each application submitted. The fee is good for one year (two semesters and a summer session). A separate check or money order, payable to the University of Wisconsin, must accompany each application. **Do not send cash.**

Transcripts: An official transcript of your complete high school record (beginning with grade 9) is required. If you are still enrolled in high school, submit your completed application form(s) and official high school transcript(s) to the UW System institution(s) to which you are applying. If you have already graduated, contact your high school to have an official transcript sent to each UW System institution to which you are applying. If you have a GED/HSED, you will need to have an official score report sent in addition to an official high school transcript.

Test Scores: New freshmen are required to submit the results of the ACT or SAT to each campus to which they are applying. Nontraditional students may not be required to submit the results of the ACT or SAT. Consult the institution(s) to which you are applying to obtain information about standardized test requirements. If you have not taken the ACT or SAT, contact your high school counselor or the UW System HELP office to obtain information about how and when to take a test.

Courses in Progress: If you are still attending high school, be sure to complete Section 5 of this form. If you are taking college courses while in high school, list them in Section 6. AP, IB, PLTW, and CLEP courses do not count as attending an institution of higher education.

TRANSFER APPLICANTS

Application Fee: If you are applying as a degree-seeking student to this institution, a nonrefundable application fee is required. This fee is not required if your last institution attended was a UW System Branch institution (UW-Eau Claire-Barron County, UW-Green Bay, Manitowoc Campus, UW-Green Bay, Marinette Campus, UW-Green Bay, Sheboygan Campus, UW-Milwaukee at Washington County, UW-Milwaukee at Waukesha, UW Oshkosh, UW-Oshkosh, Fond du Lac Campus, UW Oshkosh, UW-Fox Cities Campus, UW-Platteville, Baraboo/Sauk County, UW-Platteville, Richland, UW-Stevens Point at Marshfield, UW-Stevens Point at Wausau, and UW-Whitewater at Rock County). The application fee is not required if you previously attended, as a degree-seeking student, the campus to which you are again applying, but is required if you previously attended only as a special (non-degree seeking) student. The fee is required if you are transferring between four year campuses. The fee is good for one year (two semesters and a summer session). A separate check or money order, payable to the University of Wisconsin, must accompany each application. Do not send cash.

Transcripts: An official transcript of your complete high school record (beginning with grade 9) and transcripts from all postsecondary institutions you have attended are required. Contact your high school and each previously attended institution to request that official transcripts be sent to the UW System institution(s) to which you are applying. If you have a GED/HSED, you will also need to have an official score report sent.

Test Scores: Neither the ACT nor the SAT is generally required of transfer students. You will be notified if any standardized test scores are required in order to complete your application.

REENTRY APPLICANTS

Application Fee: The application fee is not required if you are applying to a UW System institution you have previously attended as a degree-seeking student.

Transcripts: You need not resubmit your high school transcripts. However, if you have attended any college or university since you last attended the institution you now wish to reenter, you must request official transcripts from these institutions.

Test Scores: Not required.

High School Information: You need not complete Questions 34, 35, 48 and Section 5.

Courses in Progress: If you are currently enrolled at a college or university, be sure to complete Section 6 of this application.

INTERNATIONAL APPLICANTS

International applicants are required to provide a non-U.S. permanent home address when applying for admission.

Most UW campuses do not use this application form for international student admission. You are encouraged to obtain application information from each institution to which you are applying to. The institution(s) to which you are applying will provide detailed instructions for completing the application process. In addition to an application fee and official transcripts, you will be required to provide other documents to complete your application. Use the information found on page 8 of this application to communicate with the UW System institution(s) of interest.

SPECIAL/NONDEGREE APPLICANTS

Each UW System institution has separate procedures for the admission of students who are interested in enrolling in undergraduate level courses without formally entering a degree program. Some institutions use a different application form for students in this category. Consult the appropriate UW System institution for specific information about admission, deadlines and the correct form to use.

SECTION 11 APPLICANT'S SIGNATURE (To be valid, application must be signed and dated.)

I certify that the information in this application is true and complete to the best of my knowledge and I understand that inaccurate information may affect my enrollment, tuition or financial aid status. I agree to notify the admissions office, in writing, if there is a change to any of this information, including permanent home address. I also understand that if I have applied for financial assistance, information concerning the amount of financial aid I may be offered may be released to other agencies that may also be considering me for assistance. By filing this application, I authorize my high school to release a transcript of my high school record and any other pertinent information to the University of Wisconsin System. I further authorize the University of Wisconsin System to release my Social Security Number (SSN) or other Taxpayer Identification Number (TIN) and date of birth to any UW Institution. If I enroll at this University, I will abide by its rules and regulations. This application and supporting documents become the property of the University of Wisconsin System.

Applicant's Signature _____ **Date** _____

For reentering students only: I hereby declare that my name has changed as shown in Item 2 (Section 1). By means of the above signature, I hereby authorize the University to change my records accordingly.

Racial/Ethnic Heritage (7): You are not required to disclose your racial/ethnic heritage. However, you are strongly encouraged to do so. Your response to this question will help the UW System meet federal reporting requirements. Your response may also assist in identifying opportunities and awarding scholarships and financial aid.

American Indian or Alaska Natives are encouraged to enter tribal affiliation in addition to checking the appropriate category. The category Other Asian includes people with origins in the Far East, Southeast Asia and the Indian subcontinent. The racial/ethnic information you provide will be treated as confidential and will be used and disclosed only as described on page 7 of this form.

Return to Wisconsin (12): If you are not a Wisconsin or Minnesota resident and you are admitted to a campus that your parent(s), grandparent(s) or legal guardian(s) graduated from, you may qualify for a nonresident tuition discount. Campuses participating in the Return to Wisconsin tuition discount program are UW-Eau Claire, UW-Green Bay, UW-La Crosse, UW-Oshkosh, UW-Parkside, UW-River Falls, UW-Stevens Point, UW-Stout and UW-Whitewater. If the campus to which you are applying participates in this program and you are admitted, you will be sent information requiring documentation to qualify for the non-resident tuition discount.

Semester/Term You Plan to Enter (20): If you plan to enter a UW System institution during an interim term, check other and indicate year. Contact the campus you plan to enter for specific information regarding availability, dates and admission process.

RESIDENCY INSTRUCTIONS

Wisconsin Statutes, Section 36.27(2), govern resident status for tuition purposes. If you do not qualify as a Wisconsin resident, in most cases your tuition will be assessed at the significantly higher out-of-state rate. In determining resident status for tuition purposes, different standards are used than those which may be used for voting, paying taxes, etc. Individuals who come to Wisconsin primarily for educational purposes do not automatically qualify as Wisconsin residents for tuition purposes even after living in Wisconsin a year or more. You may be asked to provide further information related to a determination of resident status for tuition purposes.

In general, you must be a bona fide resident of Wisconsin for at least 12 months prior to enrollment to be eligible for in-state tuition, but there are some exceptions:

1. If you graduated from a Wisconsin high school and your parent(s) lived continuously and only in Wisconsin for the 12 months prior to enrollment, you may qualify as a Wisconsin resident. Complete all parts of Section 7 of the application form and your status will be determined.

2. If one of your parents lives in Wisconsin and you are a tax dependent of your parents, or if you are a refugee who came to Wisconsin immediately upon entering the United States, you may be able to pay fees and tuition at the resident rate. You may also qualify for the resident rate if you are a member of the Armed Forces stationed in Wisconsin, a migrant worker who has worked in Wisconsin annually, or the spouse or child of a person in one of these categories. If you believe you qualify under one of these categories, contact the campus to which you are applying for information about Wisconsin Statutes 36.27(2).

3. If you, your spouse, or someone who claims you as a tax dependent has relocated to Wisconsin for full-time continuous employment with a current employer, or has accepted new full-time employment with current employer before moving to Wisconsin and before applying for admission to a UW System institution, if that employment has begun before your term of enrollment and continues full-time with the same employer, you may qualify as a resident for tuition purposes if you intend to establish and maintain a permanent home in Wisconsin. You will be contacted for additional information.

4. If you are unsure whether you qualify for resident tuition under any of these provisions, contact the institution to which you are applying for more information.

Minnesota Residents: You may be eligible to participate in the Wisconsin/Minnesota tuition reciprocity program. Contact the Office of Higher Education, 1450 Energy Park Drive, Suite 350, St. Paul, MN 55108-5227 (651-642-0567 or 1-800-657-3866); or visit their website at www.getreadyforcollege.org for more information. On this application, you should not claim legal Wisconsin residence. You will be classified as a nonresident at the institution where you enroll. To expedite verification please provide your Social Security Number or Tax Payer Identification Number.

ADDITIONAL UW SYSTEM INFORMATION

Financial Aid: You may submit an application for financial aid after October 1 of the year prior to the one in which you wish to enroll (for fall semester applicants). Most institutions have financial aid priority dates or deadlines, so it is generally to your advantage to apply as soon as possible after October 1. A financial aid application form and information concerning the application process may be obtained from your high school counselor or from the financial aid office of the institution(s) to which you are applying. To access the Free Application for Federal Student Aid (FAFSA), visit www.fafsa.gov. If applying for spring or summer semester enrollment, consult the individual institution for information about appropriate deadlines. Note that you must provide your Social Security Number or Tax Payer Identification Number on your application if you intend to apply for financial aid. Applying for financial aid will have no bearing on an admission decision.

On-Campus Housing: Since demand for student housing exceeds availability at many institutions, it is important to apply for housing as early as possible. Most UW System institutions automatically furnish housing information and materials to each applicant admitted. UW-Madison sends a housing contract to admitted students for the fall semester as long as space remains available; however, students interested in living on campus beginning in the spring semester must submit a separate housing application available by writing or calling the University Housing Office.

Equal Opportunity: The UW System is committed to equal opportunity for all. No student may be denied admission to, participation in or the benefits of, or be discriminated against in any service, program, course or facility of the system or its institutions because of the student's race, color, creed, religion, sex, national origin, disability, ancestry, age,

sexual orientation, pregnancy, marital status or parental status.

Inquiries concerning compliance with the requirements of Title IX, referring to equal opportunity regardless of sex may be directed to the UW System Office of Human Resources and Workforce Diversity, 1570 Van Hise Hall, 1220 Linden Dr., Madison, WI 53706 (608-262-5504). Inquiries pertaining to nondiscrimination on the basis of disability may be addressed to the Office of the Chancellor of any UW System institution.

Use and Disclosure of Racial/Ethnic Information: The U.S. Department of Education requires the University to report the number of students in various racial/ethnic categories. Your cooperation in furnishing accurate information will be appreciated.

Racial/ethnic heritage information will be treated as confidential and will not appear on academic records, grade reports, class lists or transcripts. Individual student racial/ethnic information will be released only with the student's consent or as otherwise required or permitted by law.

Use and Disclosure of Social Security or Other Taxpayer Identification Number: Federal law allows the University to request and use your Social Security or other Taxpayer Identification Number (SSN or TIN) for routine record keeping, institutional statistics and research, and compliance with Federal and State reporting requirements. Although providing the SSN or TIN is not required for admission to the University, it is required for financial aid and ensures that you will be able to claim the new educational tax benefits, if eligible, on your federal tax return. The University may use the SSN or TIN for billing and collection efforts, financial aid, internal verification and administrative purposes.

The SSN or TIN is protected under the Federal Privacy Act of 1974 (5 U.S.C. 552a) and the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) and will only be disclosed as provided above or with the student's consent or as otherwise required or permitted by law.

Requesting Disability-Related Accommodations and Services: To receive information about disability-related services, including accommodations and academic adjustments, contact the Office of Services for Students with Disabilities at the institution to which you are applying. It is recommended that requests for disability-related services be made as soon as possible.

Services for Veterans: For the purpose of this application only, a veteran is a former or current member of the United States Military. Veterans no longer serving need to have been discharged in good standing. Eligibility for benefits or services will vary based upon the individual's specific level of service. Please note that other agencies or applications may use a different definition to establish veteran status.

UW System institutions are approved to offer veterans' educational benefits under programs provided by the U.S. Department of Veterans Affairs and the Wisconsin Department of Veterans Affairs. There are also programs and benefits that provide services to spouses and children of those who have or are currently serving in the U.S. Military.

For information on veterans' educational benefits, contact the U.S. Department of Veterans Affairs Education Service at 800-827-1000 or visit their website at www.gibill.va.gov. Information on Wisconsin state benefits is available from the Wisconsin Department of Veterans Affairs: call 800-947-8387 or visit their website at dva.state.wi.us/Ben-education.asp. The names and phone numbers of veterans affairs coordinators for each UW System institution can be found in the UW HELP website at uwhelp.wisconsin.edu/paying/veterans.aspx.
